

## BOOKING CONFIRMATION – GARY PIKE COACHING – ALMERIA – SEPT 2020

<b>Group Leader:</b>	Gary Pike PGA Professional
<b>Group names:</b>	A list of names will be provided 4 weeks before the event.
<b>The event:</b>	<p>Join your host Gary Pike in Almeria, Spain - fly into Murcia or Almeria. Murcia is about 1hr 25 mins from the resort and Almeria is just under 1hr.</p> <p><b>This is our "Desert Classic" week, where you play in the desert conditions of Valle de Este, combined with 2 rounds at Desert Springs - here you will experience true "Arizona Style" golf. You'll see what great value we have for you here!</b></p> <p><b>It is not one of our intensive coaching weeks - you can get time on the range with Gary at Valle del Este and he is available for remedial advice. Plus you have a short game school. For this event we take 15 golfers + the pro.</b></p> <p><b>Each day there are friendly competitions and at the end of the week you have a finals day where you can win a coveted GTAT shirt + a £100 GTAT Voucher!</b></p>
<b>The hotel:</b>	<p>Stay in the 4* Valle del Este Hotel, near Vera. The hotel was built in 2004 and renovated in 2014. Half of the rooms face east and half west - so you have sunrise or sunset, plus a golf view! The Med is a few miles away, but can be seen from the terrace and a few holes. The hotel also has a spa.</p> <p>Your package in the hotel includes Half Board.</p> <p>The Valle del Este golf course conserves the pre-desert environment and is a memorable and challenging course to play. You have the contrast of the fairways against the desert sands and flora. Combine this with good practice facilities - it is no wonder Pro's from all of over Europe bring their clients here for coaching. It's the European base for teaching "Stack &amp; Tilt".</p> <p>We also take you for 2 rounds at the highly regarded Desert Springs course, which is inspired by the desert courses of Arizona. The emerald green fairways run alongside rocky outcrops, dry riverbeds and over 6000 cacti and other desert plants, with mountains behind framing the view.</p>
